Institute of Transportation Engineers**

25th ANNUAL BENEFIT GOLF OUTING
Thursday, June 1, 2017
Mystic Creek Golf Club

April 1, 2017

Dear ITE member or friend:

The ITE Michigan Section is pleased to announce our 25th annual golf outing to benefit the Educational Fund. This fund promotes professional development for transportation engineering students by providing free attendance at Michigan Section meetings and monetary awards for annual student research paper competitions, defraying students' costs for attending ITE and Transportation Research Board national meetings, and awarding scholarships to students at Michigan State University, Michigan Technological University, Western Michigan University, and Wayne State University.

Please **organize a foursome** (\$85 per player, which includes the Camp Dearborn entrance fee) for this worthwhile event and also **consider sponsoring a hole** (\$250) or **sponsoring a hole and the golfers lunch** (\$350). If you can't put a foursome together, we will be happy to set you up with other players. Each participant receives 18 holes of golf (scramble format) with cart, lunch, dinner and a chance to win great door prizes. For an extra fee, the practice range is available prior to the event. To be an event sponsor or to insure your golf reservation, return the attached registration form with your payment ASAP! You may fax or e-mail your registration. Also, for your convenience, we are able to accept Visa and MasterCard payments via the ITE Michigan Section website.

If you have any questions regarding this event, please call me at 616-956-3304. Thanks for your support and participation.

Cordially,

A handwritten signature in black ink that reads 'Aimée Giacherio'. The signature is written in a cursive, flowing style.

Aimée Giacherio, Chairperson
