JOYCE YASSIN RECEIVES THE RISING STAR PROGRAM AWARD FROM THE INSTITUTE OF TRANSPORTATION ENGINEERS

WASHINGTON, DC—Joyce Yassin, Great Lakes District received the Rising Star Program Award at the Joint ITE/CITE 2017 Annual Meeting and Exhibit, held July 30–August 2, in Toronto, ON, Canada.

The Institute of Transportation Engineers is committed to cultivating the next generation of our profession. As such, ITE's Rising Stars Program has been created to identify the next generation and new faces of the transportation profession. It is designed to recognize members under the age of 35 who have already made an impact on the profession, have demonstrated the ability to lead the next generation, and have implemented innovative techniques to solve transportation problems. Each year's Rising Stars Class will consist of representatives from ITE's Districts. Each year, one Rising Star will be selected for the Young Member of the Year Award.

The Institute of Transportation Engineers (ITE) is an international membership association of transportation professionals who work to improve mobility and safety for all transportation system users and help build smart and livable communities. Through its products and services, ITE promotes professional development and career advancement for its members, supports and encourages education, identifies necessary research, develops technical resources including standards and recommended practices, develops public awareness programs, and serves as a conduit for the exchange of professional information.

Founded in 1930, ITE is a community of transportation professionals including, transportation engineers, transportation planners, consultants, educators, technologists, and researchers. Through meetings, seminars, publications, and a network of more than 14,000 members working in more than 90 countries, ITE is your source for expertise, knowledge, and ideas.
