28th ANNUAL BENEFIT GOLF OUTING  
Thursday, September 3, 2020  
Mystic Creek Golf Club  

August 10, 2020  

Dear ITE member or friend:  

The ITE Michigan Section is pleased to announce our 28th annual golf outing to benefit the Educational Fund. Mystic Creek is following all State and CDC guidelines to ensure the health and safety of all guests and golf course staff. Please review their new COVID-19 rules, which is provided as an attachment. We must limit the number of people to 100, so registration will be based on a first come, first served basis. Also, for safety reasons this year, dinner will not be served indoors. Upon finishing your day of golf, you will be provided a boxed dinner to be enjoyed outdoors on the patio overlooking the 18th hole. Awards and door prizes will occur, but you will not need to be present to win this year.  

This educational fund promotes professional development for transportation engineering students by providing free attendance at Michigan Section meetings and monetary awards for annual student research paper competitions, defraying students’ costs for attending ITE and Transportation Research Board national meetings, and awarding scholarships to students at Michigan State University, Michigan Technological University, Western Michigan University, and Wayne State University.  

Please organize a foursome ($85 per player, which includes the Camp Dearborn entrance fee) for this worthwhile event and also consider sponsoring a hole ($250) or sponsoring a hole and the golfers lunch ($350). If you can’t put a foursome together, we will be happy to set you up with other players. Each participant receives 18 holes of golf (scramble format) with cart, lunch, dinner and a chance to win great door prizes. To be an event sponsor or to ensure your golf reservation, return the attached registration form with your payment ASAP! You may fax or e-mail your registration. Also, for your convenience, we are able to accept Visa and MasterCard payments via the ITE Michigan Section website.  

If you have any questions regarding this event, please call me at 616-900-9132. Thanks for your support and participation.  

Cordially,  

Aimée Giacherio, Chairperson
