

**MICHIGAN SECTION ITE**  
**34<sup>th</sup> ANNUAL BENEFIT GOLF OUTING**  
**Thursday, May 28, 2026**  
**Mystic Creek Golf Club, Milford, MI**

March 23, 2026

Dear ITE member or friend:

The ITE Michigan Section is pleased to announce our 34<sup>th</sup> annual golf outing to benefit the Educational Fund. The Educational Fund promotes professional development for transportation engineering students by providing free attendance at Michigan Section meetings, monetary awards for annual student research paper competitions, defraying students' costs for attending ITE and Transportation Research Board national meetings, and awarding scholarships to students at Michigan State University, Michigan Technological University, Western Michigan University, Wayne State University, and University of Michigan.

Please organize a foursome for this worthwhile event and consider becoming a sponsor. We are incentivizing early registration this year. By having golfer registration occur earlier, we can better plan for the event size to try and get back on three Mystic Creek courses. **Registration through Friday, May 8, 2026 will remain at \$110 per golfer. Registration cost after May 8<sup>th</sup> will increase to \$125 per golfer.** If you can't put a foursome together, we will be happy to set you up with other players. Each participant receives 18 holes of golf (scramble format) with cart, lunch, dinner, and a golfer gift. Every participant will receive a golfer gift upon registering the day of the outing.

To be an event sponsor or to ensure your golf reservation, return the attached registration and sponsor form(s) with your payment ASAP! You may mail or e-mail your registration or register and pay online. We are able to accept Visa and MasterCard payments via the ITE Michigan Section website.

If you have any questions regarding this event, please call me at 616-900-9132. Thank you for your continued support and participation.

Cordially,

A handwritten signature in black ink that reads 'Aimée Giacherio'. The signature is written in a cursive, flowing style.
